

# Micro and metabolic regulators in plants

01 – 04 February 2017 | Thiruvananthapuram, India

## ORGANIZER

### EV Soniya

Rajiv Gandhi Centre for Biotechnology,  
Thiruvananthapuram, IN

## CO-ORGANIZER

### Sudhir Kumar Sopory

ICGEB, New Delhi, IN

## REGISTRATION

Application deadline

**15 January 2017**

Abstract submission deadline

**10 January 2017**

See website for registration fees

## CONTACT

[embotvm2017@rgcb.res.in](mailto:embotvm2017@rgcb.res.in)

## SPEAKERS

### Alain Goossens

VIB / Ghent University, BE

### Annette Becker

Justus-Liebig-University, DE

### Alexander Vainstein

Hebrew University, IL

### Babu Valliyodan

University of Missouri, US

### Bernard Carroll

The University of Queensland, AU

### Brian Gregory

University of Pennsylvania, US

### Dilip Shah

Donald Danforth Plant Science  
Center, US

### Dorothea Bartels

University of Bonn, DE

### Elena Rakosy-Tican

Babes-Bolyai University, RO

### Elizabeth Weretilnyk

McMaster University, CA

### Gireesha Mohannath

Indiana University, US

### Gordon Simpson

University of Dundee, UK

### Jagadis Gupta Kapuganti

NIPGR, IN

### Jayasankar Subramaniam

Univ of Guelph, CA

### Jennifer Ann Harikrishna

University of Malaya, MY

### John Mundy

University of Copenhagen, DK

### Luis Mur

Aberystwyth University, UK

### Marian McKenzie

NZ Institute for Plant and Food  
Research, NZ

### Maribel L Dionisio-Sese

University of the Philippines, PH

### Michael Wrzaczek

University of Helsinki, FI

### Mohan Singh

University of Melbourne, AU

### Neeti Sanan Mishra

ICGEB, IN

### Nina M Cadiz

University of the Philippines, PH

### Peter M Gresshoff

CILR, The University of  
Queensland, AU

### Prem Bhalla

University of Melbourne, AU

### Ramanjulu Sunkar

Oklahoma State University, US

### Rosa Lozano-Duran

Shangai Centre for Plant Stress  
Biology, CH

### Sudhir Kumar Sopory

ICGEB, New Delhi, IN

### Takayuki Tohge

Max Plank Institute of Molecular  
Plant Physiology, DE

### Usha Vijayaraghavan

Indian Institute of Science, IN

Short talk and Poster sessions will be organised for younger participants

Students and Post-doctorates are encouraged to apply
