SPEAKERS

Ege Kavalali

UT Southwestern Medical
Center, Dallas, US

Margaret S. Robinson

Cambridge Institute for Medical
Research, UK

Sandra Schmid

UT Southwestern Medical
Center, Dallas, US

Patricia Bassereau

Institut Curie, Paris, FR

Giampietro Schiavo

University College London, UK

**Guillermo Alvarez de
Toledo**

University of Sevilla, ES

Andrew Ewing

Chalmers University of
Technology, Gothenburg, SE

Josep Rizo

UT Southwestern Medical
Center, Dallas, US

Ann-Sofie Cans

Chalmers University of
Technology, Gothenburg, SE

Tina Pangrsic

Institute for Auditory
Neuroscience, Goettingen, DE

Patrik Rorsman

University of Oxford, UK

Felix Wieland

Heidelberg University, DE

Manfred Lindau

Max Planck Inst. Biophys. Chem.
Goettingen, DE

Vadim Frolov

Basque Foundation for Science,
Bilbao, ES

Jurgen Klinghauf

University of Muenster, DE

Reinhard Jahn

Max Planck Inst. Biophys. Chem.
Goettingen, DE

Wanda Kukulski

MRC Laboratory of Molecular
Biology, Cambridge, UK

Christine Petit

Pasteur Institute, Paris, FR

Yongsoo Park

Koç University, Istanbul, TR

James Rothman

Institute of Neurology, UCL,
London, UK and Yale University,
US

Ricardo Borges

Univ. of La Laguna, Tenerife, ES
