

Pseudoenzymes 2018: From molecular mechanisms to cell biology

16 – 19 May 2018 | Sardinia, Italy

ORGANIZER

Elton Zeqiraj
University of Leeds, UK

CO-ORGANIZERS

Pat Eyers
University of Liverpool, UK

James Murphy
Walter and Eliza Hall Institute of Medical
Research, AU

REGISTRATION

Application deadline
30 April 2018

Student/postdoc450 EUR

Academic.....500 EUR

Industry.....800 EUR

CONTACT

PSEUDOENZYMES2018@GMAIL.COM

KEYNOTE LECTURES

Janet Thornton
European Bioinformatics
Institute, UK

Andrea Musacchio
Max Planck Institute of Mol.
Physiology, DE

Gerard Manning
Genentech, US

EMBO YOUNG INVESTIGATOR LECTURE

Lori Passmore
MRC-Laboratory of Molecular
Biology, UK

EMBO WOMEN IN SCIENCE LECTURE

Janet Thornton
European Bioinformatics
Institute, UK

SPEAKERS

Colin Adrain
Gulbenkian Institute of Science,
PT

Imre Berger
University of Bristol, UK

Titus Boggon
Yale University, US

Aude Echali er-Glazer
Structural Genomics
Consortium, UK

Sabine Elowe
University of Laval, CA

Hesso Farhan
University of Oslo, NO

Matthew Freeman
Sir William Dunn School of
Pathology, UK

Constance Jeffery
University of Illinois, US

Natalia Jura
University California San
Francisco, US

Natarajan Kannan
University of Georgia, US

Karen Keeshan
University of Glasgow, UK

Peter Mace
University of Otago, NZ

Rob Maier
University of Georgia, US

Kim Newton
Genentech, US

Christine Orengo
University College London, UK

Arnim Pause
McGill University, CA

Gopal Sapkota
University of Dundee, UK

Frank Sicheri
Mount Sinai Hospital, CA

Nick Tonks
Cold Spring Harbor Laboratory,
US

Daniela Ungureanu
University of Tampere, FI

Rossana Zaru
EMBL-EBI, UK

Presenting opportunities for early career investigators
are available upon abstract submission
