

Telomere biology in health and human disease

01 – 06 May 2018 | Troia, Portugal

ORGANIZERS

Claus M. Azzalin

Instituto de Medicina Molecular, PT

Simon Boulton

The Francis Crick Institute, UK

Miguel Godinho Ferreira

IGC, PT / IRCAN, FR

Raymund Wellinger

Université de Sherbrooke, CA

REGISTRATION

Application and Abstract deadline

01 March 2018

Student/postdoc950 EUR

Academic.....1250 EUR

Industry.....2250 EUR

CONTACT

Akila Sridhar

TELOMERE2018@IGC.GULBENKIAN.PT

SPEAKERS

Mary Armanios

Johns Hopkins University, US

Steven Artandi

Stanford University, US

Peter Baumann

Stowers Institute for Biomedical
Research, US

Tracy Bryan

CMRI and University of Sydney,
AU

Tony Cesare

CMRI and University of Sydney,
AU

Pascal Chartrand

Université de Montreal, CA

Julie Cooper

National Institutes of Health, US

Anabelle Decottignies

de Duve Institute, BE

Jérôme Dejardin

IGH Montpellier, FR

Titia de Lange

Rockefeller Institute, US

Inderjeet Dokal

Blizard Institute London, UK

Ylli Doksani

IFOM Milan, IT

Roger Greenberg

University of Pennsylvania, US

Lea Harrington

IRIC- Université de Montreal, CA

Jacqueline Jacobs

Netherlands Cancer Institute,
The Netherlands

Jan Karlseder

The Salk Institute, US

Joachim Lingner

Ecole Polytechnique Fédérale de
Lausanne, CH

Brian Luke

Institute for Molecular Biology
Mainz, DE

Paula Martinez

CNIO Madrid, ES

Pat Monaghan

University of Glasgow, UK

Toru Nakamura

University of Illinois at Chicago,
US

Karel Riha

CEITEC Masaryk University, CZ

Sara Selig

Technion Institute, IL

Dorothy Shippen

Texas A&M University, US

Maria Teresa Teixeira

IBPC du CRNS in Paris, FR
