Integrated multi-omic analyses of microbial communities
16 – 23 March 2020 | Luxembourg

ORGANIZERS
Paul Wilmes
University of Luxembourg, LU

CO-ORGANIZERS
Anna Heintz-Buschart
UFZ/German Centre for Integrative Biodiversity Research, DE

ROLAND KRAUSE
University of Luxembourg, LU

Cedric Laczny
University of Luxembourg, LU

Alexander Probst
University of Duisburg-Essen, DE

Sophie Wagner
University of Luxembourg, LU

SPEAKERS
Karoline Faust
KU Leuven, BE

Anna Heintz-Buschart
UFZ/German Centre for Integrative Biodiversity Research, DE

Anne-Kristin Kaster
Karlsruhe Institute for Biology, DE

Johannes Köster
University Hospital Essen & University of Duisburg-Essen, DE

Patrick May
University of Luxembourg, LU

Alexander Probst
University of Duisburg-Essen, DE

Thomas Rattei
University of Vienna, AT

Anja Spang
Netherlands Institute for Sea Research, NL

Jean-Pierre Trezzi
University of Luxembourg, LU

Paul Wilmes
University of Luxembourg, LU

Michael Witting
German Research Center for Environmental Health, DE

REGISTRATION
Abstract submission deadline
10 January 2020

Student/Postdocs......500 EUR
Academic .....................500 EUR
Industry......................1000 EUR
