

# Young Scientist Networking Meeting 2017

## Speakers

### Arnab Mukhopadhyay

National Institute of Immunology, IN

### Arun Kumar

Centre for Genomic Regulation, ES

### Ashverya Laxmi

National Institute of Plant Genome Research, IN

### Aurnab Ghose

Indian Institute of Science Education & Research, IN

### Chuna Choudhary

University of Copenhagen, DK

### Ines Thiele

University of Luxembourg, LU

### Isabel Bäurle

University of Potsdam, DE

### Jochen Rink

Max Planck Institute of Molecular Cell Biology & Genetics, DE

### Julia Von Blume

Max Planck Institute of Biochemistry, DE

### Katja Röper

MRC Laboratory of Molecular Biology, UK

### Kausik Chakraborty

Institute of Genomic & Integrative Biology, IN

### Lolitika Mandal

Indian Institute of Science Education & Research, IN

### Maria Thaker

Indian Institute of Science, IN

### Nolwenn Jouvenet

Institut Pasteur, FR

### Priscille Brodin

Inserm, FR

### Ranjith Padinhateeri

Indian Institute of Technology, IN

### Roop Mallik

Tata Institute of Fundamental Research, IN

### Rupinder Kaur

Centre for DNA Fingerprinting and Diagnostics, IN

### SP Arun

Indian Institute of Science, IN

### Thomas Pucadyil

Indian Institute of Science Education & Research, IN

### Tomàs Marquès-Bonet

Institut de Biologia Evolutiva, ES

### Toni Gabaldón

Centre for Genomic Regulation, ES

## Topics

- Molecular machines
- Organization of tissues (Development inclusive)
- Neurobiology
- Evolution of molecular mechanism
- Ecology | Evolution | Animal behaviour
- Cell compartmentalization
- Molecular medicine | Infection and immunity
- Structural biology | Chemical biology | Protein biochemistry
- Gene expression & regulation including plant systems
- Metabolism and physiology
- Regenerative biology

24 – 25 APRIL 2017  
Barcelona, Spain

## Organizers

### Vivek Malhotra

Centre for Genomic Regulation, ES

### Tony Hyman

Max Planck Institute of Molecular Cell Biology & Genetics, DE

### Manu Hegde

MRC Laboratory of Molecular Biology, UK
