Poster Session 2 – Wednesday 25
May at 14:30 – 16:30

Oral Presentations

The scientific program will follow a given time schedule and all oral communications should not exceed the limit specified below:

Keynote Lectures

30 min + 15 min discussion

Short Talks

12 min + 3 min discussion

Data Projectors

The presentation files should be provided at the secretariat on USB sticks in the morning of each presentation, at the latest.

The lecture room will be equipped with data projectors connected to a dedicated laptop and live streaming of the presentations is possible. Laptops (under Windows or Mac OS) can also be used directly for the presentation but this is not advisable as technical problems may occur. Please remember to bring your adaptors!
