

Gene regulatory mechanisms in neural fate decisions

7 – 10 September 2023 | San Juan de Alicante, Spain

Organizer

Vijay Tiwari

Queen's University, UK & SDU, DK

Victor Borrell

Institute of Neuroscience, ES

Federico Calegari

Centre For Regenerative Therapies, DE

Magdalena Götz

Helmholz Center, DE

Christopher A. Walsh

Harvard Stem Cell Institute, US

Yukiko Gotoh

University of Tokyo, JP

Contact

Vijay Tiwari

V.Tiwari@qub.ac.uk

Speakers

Ana Pombo

Max Delbrück Center, DE

Dirk Schübeler

Friedrich Miescher Institute for Biomedical Research, CH

John Rubenstein

Weill Institute for Neurosciences, US

Vijay Tiwari

Queen's University, UK & SDU, DK

Sebastian Jessberger

University of Zurich, CH

Yin Shen

University of California San Francisco, US

Tomasz Nowakowski

University of California San Francisco, US

Nancy Papalopulu

University of Manchester, UK

Christopher A. Walsh

Harvard Stem Cell Institute, US

Hongjun Song

University of Pennsylvania, US

Magdalena Götz

Helmholz Center, DE

Ryoichiro Kageyama

RIKEN Center for Brain Science, JP

Yukiko Gotoh

University of Tokyo, JP

Daniel Lim

UCSF Weill Institute for Neurosciences, US

Debby Silver

Duke University, US

Pierre

Vanderhaeghen

VIB KULeuven, BE

Victor Borrell

Institute of Neuroscience Alicante, ES

Sergiu P. Pasca

Stanford University, UK

Eileen Furlong

EMBL, DE

Stefan Stricker

LMU Munich, DE

Martin Kampmann

UCSF, US

Rahul Satija

New York Genome Center, US

Boyan Bonev

Helmholtz Center Munich, DE

Rebecca Hodge

Allen Institute, US

Denis Jabaudon

University of Geneva, CH

Alexander Schier

Biozentrum Basel, CH

Beatriz Rico

King's College London, UK

Angel Barco

Instituto de Neurociencias UMH-CSIC, ES

Michael Greenberg

Harvard Medical School, US

Li-Huei Tsai

Picower Institute for Learning and Memory at MIT, US

Tony Wyss-Coray

Stanford University, US

Gonçalo Castelo-Branco

Karolinska Institutet, SE

Madeline Lancaster

MRC Laboratory of Molecular Biology, UK

Kristen Brennand

Yale University, US

Alysson Muotri

UC San Diego, US

Andrew S. Yoo

Washington University School of Medicine, US

Ziyuan Guo

Cincinnati Children's Hospital Medical Center, US

Federico Calegari

Centre For Regenerative Therapies, DE

Benedikt Berninger

King's College London, UK

Alerie Guzman de la Fuente

Institute of Neuroscience CSIC-UMH, ES
