

In situ structural biology by Cryo-FIB and Cryo-ET

14 – 22 April 2024 | Martinsried-Planegg, Germany

Organizers

Sven Klumpe

MPI of Biochemistry, DE

Julia Mahamid

EMBL Heidelberg, DE

Jürgen Pitzko

MPI of Biochemistry, DE

Registration

Abstract submission deadline

8 December 2023

Students/Postdocs 500 EUR

Academic 500 EUR

Industry 1500 EUR

#EMBOinsituBio

Tutors/Instructors

Johann Brenner

Max-Planck-Institute of Biochemistry, DE

Ricardo Righetto

University of Basel, CH

Christoph Kaiser

Max-Planck-Institute of Biochemistry, DE

Oda Schioetz

Max-Planck-Institute of Biochemistry, DE

Wojciech Wietrzynski

University of Basel, CH

Cristina Capitanio

Max-Planck-Institute of Biochemistry, DE

Anna Bieber

Max-Planck-Institute of Biochemistry, DE

Herman Fung

EMBL Heidelberg, DE

Matthias Poege

Max-Planck-Institute of Biochemistry, DE

Dustin Morado

Stockholm University, SE

Daniel Bollschweiler

Max-Planck-Institute of Biochemistry, DE

Speakers

Montserrat Barcena

Leiden University Medical Centre, NL

Martin Beck

Max-Planck-Institute of Biophysics, DE

John Briggs

Max-Planck-Institute of Biochemistry, DE

Peter Dahlberg

Stanford University, US

Maud Dumoux

Rosalind Franklin Institute, UK

Ben Engel

University of Basel, CH

Herman Fung

EMBL Heidelberg, DE

Michael Grange

Rosalind Franklin Institute, UK

Wim Hagen

Thermo Fisher Scientific, NL

Sven Klumpe

Max-Planck-Institute of Biochemistry, DE

Jan Kosinski

EMBL Hamburg, DE

Wanda Kukulski

IBMM University of Bern, CH

Bronwyn Lucas

University of California, Berkeley, US

Julia Mahamid

EMBL Heidelberg, DE

Alex de Marco

New York Structural Biology Center, US

Jürgen Pitzko

Max-Planck-Institute of Biochemistry, DE

Beata Turonova

Max-Planck-Institute of Biophysics, DE

Elizabeth Villa

University of California, San Diego, US

Gregor Weiss

ETH Zurich, CH
