

Molecular biology of Archaea

24 – 27 June 2024 | Palaiseau (Paris region), France

Organizer

Hannu Myllykallio
CNRS-Ecole Polytechnique, FR

Co-organizers

Tamara Basta
Université Paris-Saclay, FR

Guillaume Borrel
Institut Pasteur, FR

Simonetta Gribaldo
Institut Pasteur, FR

Mart Krupovic
Institut Pasteur, FR

Registration

Registration deadline
30 April 2024

Abstract submission deadline
30 May 2024

Students/Postdocs 350 EUR
Academic 450 EUR
Industry 700 EUR

Speakers

Sonja-Verena Albers
University of Freiburg, DE

Svetlana Dodonova
EMBL Heidelberg, DE

Edward Egelman
University of Virginia, US

Laura Eme
Université Paris-Saclay, FR

Dina Grohman
Archaea Centre Regensburg, DE

Melina Kerou
University of Vienna, AT

Beate Kraft
University of Southern Denmark, DK

Nika Pende
University of Vienna, AT

Alexander J. Probst
University of Duisburg-Essen, DE

Ludovic Sauguet
Institut Pasteur, FR

Christa Schleper
University of Vienna, AT

Silvan Scheller
Aalto University, FI

Emmanuelle Schmitt
CNRS-Ecole Polytechnique, FR

Yulong Shen
Shandong University, CN

Nicole Tischler
Universidad San Sebastián, CL

Paula V. Welander
Stanford University, US

Finn Werner
Institute of Structural and Molecular Biology, UK

Tobias Warnecke
LMS & Imperial College London, UK

Hua Xiang
Chinese Academy of Sciences, CN

Michail M. Yakimov
CNR, IT
