#EMBOmitochondria

Speakers

Marta Artal Sanz
University Pablo de Olavide, ES

Sabrina Büttner
Stockholm University, SE

Erika Fernández-Vizarra
University of Padova, IT

Christian Frezza
University Hospital Cologne, DE

Philippe Giegé
University of Strasbourg, FR

Hauke Hillen
University Medical Center Göttingen, DE

Eva Kummer
University of Copenhagen, DK

Wanda Kukulski
University of Bern, CH

Nils-Göran Larsson
Karolinska Institutet, SE

Julius Lukeš
Biology Centre CAS, CZ

Chris Meisinger
University of Freiburg, DE

Michal Minczuk
University of Cambridge, GB

Lena Pernas
Max Planck Institute for Biology of Ageing, DE

Lalita Ramakrishnan
University of Cambridge, GB

Susanne Schlisio
Karolinska Institutet, SE

Markus Schwarzländer
University of Münster, DE

Anu Suomalainen-Wartiovaara
University of Helsinki, FI

Karolina Szczepanowska
The International Institute of Molecular Mechanisms and Machines, PL

Nora Vögtle
Heidelberg University, DE

Andrew Wojtovich
University of Rochester Medical Center, US

Alena Zikova
Biology Centre CAS, CZ
