

# From molecules to organisms:

An integrative view of cell biology

16 – 21 March 2025 | Radstadt, Austria

## ORGANIZERS AND CO-ORGANIZERS

**Sharon Tooze**  
The Francis Crick Institute, UK

**Gabriele Seethaler**  
Local Organiser, AT

**Marino Zerial**  
Human Technopole, IT / MPI-CBG, DE

**Ilaria Guerini**  
Scientific Training Human Technopole, IT

Abstract submission

**1 December 2024**

Registration

**1 December 2024**

## SPEAKERS

**Andrea Ballabio**  
TIGEM, IT

**Robert Ernst**  
Universität des Saarlandes, DE

**Vivek Malhotra**  
Centre for Genomic Regulation, ES

**Yohanns Bellaïche**  
Institut Curie, FR

**Benjamin Glick**  
The University of Chicago, US

**Jodi Nunnari**  
Altos Labs - Bay Area Institute of Science &  
University of California, Davis, US

**Gaëlle Boncompain**  
Institut NeuroMyoGene, FR

**Gareth Wyn Griffiths**  
University of Oslo, NO

**Gaia Pigino**  
Human Technopole, IT

**Brian Burke**  
Skin Research Institute of Singapore, SG

**Jean Gruenberg**  
University of Geneva, CH

**Rosa Puertollano-Moro**  
National Heart, Lung, and Blood Institute,  
US

**Jeremy Carlton**  
The Francis Crick Institute, UK

**Frederick M. Hughson**  
Princeton University, US

**Aurelien Roux**  
University of Geneva, CH

**Pedro Carvalho**  
Sir William Dunn School of Pathology, UK

**Tommy Kirchhausen**  
Harvard Medical School, US

**Richard Scheller**  
23andMe, US

**Elizabeth Chen**  
UT Southwestern Medical Center, US

**Robin Klemm**  
University of Oxford, UK

**Sara Sigismund**  
European Institute of Oncology, IT

**Alba Diz-Muñoz**  
EMBL, DE

**Yamuna Krishnan**  
The University of Chicago, US

**Ana Domingos**  
University of Oxford, UK

**Sébastien Leon**  
Institut Jacques Monod, FR
