

# Astrocytes

From Molecules to Systems

14 – 18 April 2025 | Venice, Italy

## ORGANIZERS AND CO-ORGANIZERS

**Laura Civiero**  
University of Padua, IT

**Maurizio De Pittà**  
Krembil Research Institute, CA  
& Basque Center for Applied Mathematics, ES

**Matthew Holt**  
Institute for Research and Innovation in Health, PT

**Olga Sin**  
Institute for Research and Innovation in Health, PT

**Won-Suk Chung**  
Korea Advanced Institute of Science, KR

Abstract submission  
**14 January 2025**  
Registration  
**14 January 2025**

## SPEAKERS

**Aiman Saab**  
University of Zurich, CH

**Amaia Arranz**  
Achucarro Basque Center for Neuroscience, ES

**Amit Agarwal**  
Heidelberg University, DE

**András Lakatos**  
University of Cambridge, UK

**Angela Giangrande**  
University of Strasbourg, FR

**Baljit Khak**  
University of California, Los Angeles, US

**Bart De Strooper**  
University College London, UK

**Blanca Díaz Castro**  
University of Edinburgh, UK

**Carmen Falcone**  
International School for Advanced Studies, IT

**Carole Escartin**  
CNRS, CEA, Université Paris-Saclay, MIRCen, FR

**Cristina García Cáceres**  
Helmholtz Zentrum München, DE

**Dieter Henrik Heiland**  
University of Freiburg, DE

**Dolores Irala**  
Duke University Medical Center, NC, US

**Eduardo Zimmer**  
Universidade Federal do Rio Grande do Sul, BR

**Elly Hol**  
University Medical Center Utrecht Brain Center, NL

**Fiona Doetsch**  
University of Basel, CH

**Francisco Quintana**  
Harvard Medical School, US

**Inbal Goshen**  
The Hebrew University, IL

**Keith Murai**  
McGill University Health Center, CA

**Ksenia Kastanenka**  
Massachusetts General Hospital and Harvard Medical School, US

**Laura Civiero**  
University of Padua, IT

**Marta Navarrete**  
Instituto Cajal, CSIC, ES

**Martin Kampmann**  
University of California, US

**Matthew Holt**  
Institute for Research and Innovation in Health, PT

**Maurizio De Pittà**  
Krembil Research Institute, CA  
& Basque Center for Applied Mathematics, ES

**Naomi Habib**  
Hebrew University of Jerusalem, IL

**Natalie Rouach**  
Center for Interdisciplinary Research in Biology, FR

**Nicola Allen**  
Salk Institute for Biological Studies, US

**Pierre Magistretti**  
King Abdullah University of Science and Technology, SA

**Stephan Kaeser**  
Hertie Institute for Clinical Brain Research, DE

**Tommaso Felin**  
Istituto Italiano di Tecnologia, IT

**Valentin Nägerl**  
Université de Bordeaux, FR

**Won-Suk Chung**  
Korea Advanced Institute of Science, KR
