

Autophagy: Cellular mechanisms and significance in health and disease

11 – 13 December 2017 | Bhubaneswar, India

ORGANIZER

Santosh Chauhan
Institute of Life Sciences, IN

CO-ORGANIZERS

Gulam H Syed
Institute of Life Sciences, IN

Ravi Manjithaya
Jawaharlal Nehru Centre for Advanced
Scientific Research, IN

Manjula Kalia
Translational Health Science and Tech.
Institute, IN

Sovan Sarkar
University of Birmingham, UK

CONTACT

indiaemboautophagy@gmail.com

SPEAKERS

Ravi Amaravadi
University of Pennsylvania, US

K N Balaji
Indian Institute of Sciences, IN

Patricia Boya
Centro de Investigaciones Biológicas, CBIC, ES

Patrice Codogno
Institut Necker Enfants Malades, FR

Vojo Deretic
University of New Mexico, US

Manjula Kalia
Translational Health Science and Tech. Institute, IN

Daniel Klionsky
University of Michigan, US

Dhiraj Kumar
International Centre for Genetic Engineering and
Biotechnology, IN

Ravi Manjithaya
Jawaharlal Nehru Centre for Advanced Scientific
Research, IN

David Rubinsztein
Cambridge Institute for Medical Research, UK

Apurva Sarin
National Center for Biological Sciences, IN

Suresh Subramani
University of California San Diego, US

Sharon Tooze
The Francis Crick Institute, UK

Tamotsu Yoshimori
Osaka University, JP

Hong Zhang
Institute of Biophysics Chinese Academy of Sciences

REGISTRATION

Application deadline

17 August 2017

Abstract submission deadline

31 August 2017

Students / Postdocs35 EUR

Academics70 EUR

Industry.....100EUR
