

EMBO Workshop

piRNAs and PIWI proteins

12 – 15 September 2018 | Montpellier, France

ORGANIZER

Martine Simonelig
Institute of Human Genetics, FR

CO-ORGANIZERS

Julius Brennecke
Institute of Molecular Biotechnology,
AT

Haifan Lin
Yale Stem Cell Center, US

Kazufumi Mochizuki
Institute of Human Genetics, FR

REGISTRATION

Application and Abstract Deadline
4 June 2018

Student..... 600 EUR

Academic/postdoc 700 EUR

Industry..... 800 EUR

CONTACT

Catherine Larose or Silke Conquet

PIRNA2018@IGH.CNRS.FR

SPEAKERS

John Abrams
University of Texas, US

Alexei Aravin
California Institute of
Technology, US

Mireille Betermier
Institut de Biologie Intégrative
de la Cellule, FR

Julius Brennecke
Institute of Molecular
Biotechnology, AT

Julie Claycomb
University of Toronto, CA

Gregory Hannon
Cambridge Institute, GB

Toshie Kai
Osaka University, JP

René Ketting
Institute of Molecular Biology,
DE

Laura Landweber
Columbia University, US

Haifan Lin
Yale Stem Cell Center, US

Eric Miska
Gurdon Institute, GB

Kazufumi Mochizuki
Institute of Human Genetics,
FR

Zissimos Mourelatos
University of Pennsylvania, US

Mariusz Nowacki
University of Bern, CH

Ramesh Pillai
University of Geneva, CH

Michael Sieweke
University of Marseille-Luminy,
FR

Martine Simonelig
Institute of Human Genetics,
FR

Mikiko Siomi
University of Tokyo, JP

Ulrich Technau
University of Vienna, AT

Felipe Karam Teixeira
University of Cambridge, GB

William Theurkauf
University of Massachusetts
Medical School, US

Yukihide Tomari
University of Tokyo, JP

Ronald van Rij
Radboud Institute for
Molecular Life Sciences, NL

Josien van Wolfswinkel
Yale University, US

Chantal Vaury
Genetics, Reproduction and
Development, FR

Phillip Zamore
University of Massachusetts
Medical School, US
