SPEAKERS

Ross Chapman
Wellcome Trust Centre for Human
Genetics, UK

Dipanjan Chowdhury
Dana Farber, US

Karlene Cimprich
Stanford University, US

Angelos Constantinou
IGH Montpellier, FR

Dan Durocher
University of Toronto, CA

Josep Forment
Astrazeneca, UK

TW Glover
University of Michigan Medical
School, US

KP Hopfner
University of Munich, DE

Pablo Huertas
Cabimer, ES

Thanos Halazonetis
University of Geneva, CH

Olivier Hyrien
ENS Paris, FR

Steve Jackson
University of Cambridge, UK

Joe Jiricny
ETH Zurich, CH

Sarah Lambert
Institute Curie Paris, FR

Gaelle Legube
CBI, FR

Rong Li
The Johns Hopkins University
School of Medicine, US

Joanna Loizou
CeMM, Austria

Serena Nik-Zainal
University of Cambridge, UK

Philippe Pasero
IGH Montpellier, FR

KJ Patel
Laboratory of Molecular Biology,
Cambridge, UK

Jonathan Pines
Institute for Cancer Research,
London, UK

Sven Rottenberg
University of Bern, CH

Julian Sale
Laboratory of Molecular Biology, UK

Agnel Sfeir
NYU USA

Titia Sixma
NKI, NL

Agata Smogorzewska
Rockefeller University, US

Bruce Stillman
Cold Spring Harbor, US

Jesper Svejstrup
Crick Institute, UK

Madalena Tarsounas
University of Oxford, UK

Yang Wei
NIH, US
