

Integrative biology: From molecules to ecosystems in extreme environments

22 – 25 April 2019 | Santiago, Chile

ORGANIZERS

Eric Schirmer

University of Edinburgh, UK

Rodrigo A. Gutiérrez

Pontificia Universidad Católica de Santiago, CL

Francisca Blanco

UNAB, CL

Stephan Pollmann

Universidad Politécnica de Madrid, ES

Laurence Lejay

INRA, Montpellier, FR

REGISTRATION

Registration deadline

22 March 2019

Abstract submission deadline

15 March 2019

Student/PostDoc70 EUR

Academic 180 EUR

Industry.....700 EUR

SPEAKERS

Irene Schloss

Argentine Antarctic Institute, AR

Beatriz Diez

Pontificia Universidad Católica de Santiago, CL

Christina Dorador

Universidad de Antofagasta, CL

Ove Nilsson

Umea Plant Science Center, SE

Rodrigo A. Gutiérrez

Pontificia Universidad Católica de Santiago, CL

Salma Balazadeh

Max Planck Institut-Golm, DE

Enrico Rezende

Pontificia Universidad Católica de Santiago, CL

Jose O'Brien

Pontificia Universidad Católica de Santiago, CL

Laurence Lejay

INRA, Montpellier, FR

Francisca Blanco

Universidad Andrés Bello, CL

Stephan Pollmann

Universidad Politécnica de Madrid, ES

Yves Gibon

Université Bordeaux/INRA, FR

Aurora Gaxiola

Pontificia Universidad Católica de Santiago, CL

Jesus Vicente Carbajosa

CBGP, Madrid, ES

Marcus Wilson

University of Edinburgh, UK

Andrew Millar
