

Integrating traditional and molecular approaches in ecology of glacial habitats

2 – 13 August 2022 | Milano & Santa Caterina Valfurva, Italy

Organizer

Andrea Franzetti
University of Milano-Bicocca, IT

Co-organizers

Roberto Ambrosini
University of Milan, IT

Marco Caccianiga
University of Milan, IT

Manuela Coci
Microb&co, IT

Mauro Gobbi
MUSE-Science Museum, IT

Ewa Poniecka
University of Warsaw, PL

Krzysztof Zawierucha
Adam Mickiewicz University, PL

Registration

Abstract submission deadline
10 May 2022

Student/Postdocs 500 EUR
Academic 500 EUR
Industry 1000 EUR

Speakers

Claudia Canedoli
University of Milano-Bicocca, IT

Diego Fontaneto
CNR-IRSA Water Research Institute, IT

Francesca Formicola
University of Milano-Bicocca, IT

Alessia Guerrieri
University of Milan, IT

Catherine Larose
University of Lyon, FR

Valeria Lencioni
MUSE-Science Museum of Trento, IT

Emilio Padoa-Schioppa
University of Milano-Bicocca, IT

Francesca Pittino
Swiss Federal Research Institute WSL, CH

Barbara Valle
University of Milan, IT

Mauro Gobbi
MUSE-Science Museum, IT
