#EMBOenhanceropathies

Speakers

Alexander Stark
Vienna BioCenter, AT

Axel Visel
Lawrence Berkeley National Laboratory, US

Bart Deplancke
École polytechnique fédérale de Lausanne, CH

Bas van Steensel
Netherlands Cancer Institute, NL

Biola M Javierre
Josep Carreras Leukaemia Research Institute, ES

Denis Duboule
École polytechnique fédérale de Lausanne, CH

Douglas Higgs
University of Oxford, UK

Elisa Oricchio
École polytechnique fédérale de Lausanne, CH

Gerd Blobel
University of Pennsylvania, US

Gioacchino Natoli
European Institute of Oncology, IT

Jesse Engreitz
Stanford University, US

Jorge Ferrer
Centre for Genomic Regulation, ES

Judith Zaugg
European Molecular Biology Laboratory, DE

Michael Levine
Princeton University, US

Nicole Soranzo
Human Technopole, IT

Robin Andersson
University of Copenhagen, DK

Sarah Vergult
Ghent University, BE

Wouter de Laat
Hubrecht Institute, NL
