Evolution and diversity of the DNA damage response

19 – 23 February 2024 | Lonavala, India

Organizer

Arnab Ray Chaudhuri
Erasmus University Medical Center, NL

Co-organizers

Anjana Badrinarayanan
National Center for Biological Sciences, IN

Dipanjan Chowdhury
Dana-Farber Cancer Institute, Harvard Medical School, US

Michela Di Virgilio
Max Delbrück Center for Molecular Medicine, DE

Birija Sankar Patro
(Co-ordinator/ Advisor)
Bhabha Atomic Research Center, IN

Kundan Sengupta
Indian Institute of Science Education and Research, IN

Registration

Abstract submission deadline
15 November 2023

Student/Postdocs 500 EUR
Academic 750 EUR
Industry 1000 EUR

Speakers

Andres Aguilera
CABIMER, ES

Anjana Badrinarayan
National Center for Biological Sciences, IN

Keith Caldecott
University of Sussex, UK

Alberto Ciccia
Columbia University, US

Karlene Cimprich
Stanford University, US

Arnab Ray Chaudhuri
Erasmus University Medical Center, NL

Dipanjan Chowdhury
Dana-Farber Cancer Institute, US

Benu Brata Das
Indian Association for the Cultivation of Science, IN

Dan Durocher
Lunenfeld-Tanenbaum Research Institute, CA

Amélie Fradet-Turcotte
Laval University School of Medicine, CA

Merium El Karoui
University of Edinburgh, UK

Sarah Lambert
Institut Curie, FR

Gaelle Legube
Centre for Integrative Biology, FR

Massimo Lopes
University of Zurich, CH

Susan Lovett
Brandeis University, US

Niels Mailand
Center for Protein Research, DK

Ganesh Nagaraju
Indian Institute of Science, IN

Andre Nussenzweig
National Institutes of Health, US

Stephanie Panier
Max-Planck-Institute for Biology of Ageing, DE

Birija Sankar Patro
Bhabha Atomic Research Center, IN

Kaustuv Sanyal
Jawaharlal Nehru Center for Advanced Scientific Research, IN

Agnel Sfeir
Memorial Sloan Kettering Cancer Center, US

Evi Soutoglou
University of Sussex, UK

Julien Stingele
Ludwig Maximilian University, DE

Nitika Taneja
Erasmus University Medical Center, NL

Shweta Tyagi
Centre for DNA Fingerprinting and Diagnostics, IN

Ashok Ventikaraman
Cancer Science Institute, SG

Michela Di Virgilio
Max Delbrück Center, DE

Joseph Yeeles
MRC Laboratory of Molecular Biology, UK

Kundan Sengupta
Indian Institute of Science Education and Research, IN
