

# Molecular biology of mitochondrial gene maintenance and expression

19 – 23 May 2024 | Jozefów, Poland

## Organizers

**Roman Szczesny**  
Institute of Biochemistry and Biophysics PAS, PL

## Organizers

**Hauke Hillen**  
University Medical Center Göttingen and MPI for Multidisciplinary Sciences, DE

**Tom Nicholls**  
Newcastle University, UK

**Joanna Rorbach**  
Karolinska Institute, SE

## Registration

**Abstract submission deadline**  
24 March 2024

Student/Postdocs..... 3320 PLN  
Academic..... 4200 PLN  
Industry..... 7380 PLN

## Speakers

**Antonio Barrientos**  
University of Miami Miller School of Medicine, US

**Brendan Battersby**  
University of Helsinki, FI

**Stirling Churchman**  
Harvard University, US

**Aleksandra Filipovska**  
Harry Perkins Institute of Medical Research, AU

**Aurora Gómez Durán**  
Center for Research in Molecular Medicine and Chronic Diseases, ES

**Claes Gustafsson**  
University of Gothenburg, SE

**Rita Horvath**  
University of Cambridge, UK

**Alexis Jourdain**  
University of Lausanne, CH

**Roza Kucharczyk**  
Institute of Biochemistry and Biophysics PAS, PL

**Inge Kühl**  
Université Paris-Saclay, FR

**Nils-Göran Larsson**  
Karolinska Institutet, SE

**Samantha Lewis**  
University of California at Berkeley, US

**Thomas MacVicar**  
The CRUK Beatson Institute, UK

**Michal Minczuk**  
MRC MBU and University of Cambridge, UK

**Martin Ott**  
Gothenburg University, SE

**Julien Prudent**  
MRC MBU and University of Cambridge, UK

**Antonella Spinazzola**  
University College London, UK

**Karolina Szczepanowska**  
The International Institute of Molecular Mechanisms and Machines PAS, PL

**Dmitry Temiakov**  
Thomas Jefferson University, US

**Aleksandra Trifunovic**  
University of Cologne, DE

**Cristina Ugalde**  
Research Institute Hospital 12 de Octubre (i+12), ES

**Carlo Viscomi**  
University of Padova, IT

**Phillip West**  
The Jackson Laboratory, US

**Anna Wredenberg**  
Karolinska Institutet, SE
