

Contaminated site remediation with genomics: Boosting bioremediation in South America

20 – 28 October 2025 | Valparaíso, Chile

ORGANIZERS AND CO-ORGANIZERS

Michael Seeger
Universidad Tecnica Federico Santa Maria
(CL)

Elena Panariello
MicrobEco (IT)

Francesca Pittino
University of Milano-Bicocca (IT)

Manuela Coci
Institute for Marine Biological Resources
and Biotechnology (IT)

Roberto Orellana
Universidad de Playa Ancha (CL)

Tatiana Stella
M3R – Monitoring and Management of
Microbial Resources (IT)

Abstract submission

20 July 2025

Registration (in-person/virtual)

20 July 2025/

30 September 2025

SPEAKERS

Alejandra Arancibia
Universidad de Playa Ancha (CL)

Andrea Franzetti
University of Milano-Bicocca (IT)

Anna Espinoza
Luxembourg Institute of Science and
Technology (LU)

Constanza Macaya-Ramos
Universidad Tecnica Federico Santa Maria
(CL)

Edgardo Donati
Universidad Nacional de La Plata | UNLP
(AR)

Elena Panariello
MicrobEco (IT)

Francesca Pittino
University of Milano-Bicocca (IT)

Ignacio Vargas
Pontificia Universidad Católica de Chile
(CL)

Jonathan Van Hamme
Thompson Rivers University (CA)

Manuela Coci
Institute for Marine Biological Resources
and Biotechnology of the National
Research Council (IT)

Michael Seeger
Universidad Tecnica Federico Santa Maria
(CL)

Peter Golyshin
Bangor University (UK)

Polette Aguilar
Universidad de Playa Ancha (CL)

Raymond Turner
University of Calgary (CA)

Refugio Rodriguez Vazquez
Center for Research and Advanced Studies
of the National Polytechnic Institute (MX)

Roberto Durán
Universidad Tecnica Federico Santa Maria
(CL)

Roberto Orellana
Universidad de Playa Ancha (CL)

Sebastian Fuentes
Universidad Bernardo O'Higgins (CL)

Tatiana Stella
M3R (IT)

Valentina Gonzalez
Universidad Tecnica Federico Santa Maria
(CL)

Veronica Molina
Universidad de Playa Ancha (CL)
