University of Western Australia, AU

Maria Falkenberg
University of Gothenburg, SE

Abstract submission
& registration

1 June 2025

SPEAKERS

Aleksandra Filipovska
University of Western Australia, AU

Anu Suomalainen
Biomedicum, University of Helsinki, FI

Claes Gustafsson
University of Gothenburg, SE

Elena Rugarli
CECAD Research Center, University of
Cologne, DE

Florescia Camus
University College London, UK

Ivan Topisirovic
McGill University, CA

Janine Santos
National Institute of Environmental
Health Sciences, US

Jose Antonio Enriquez
The Carlos III National Centre for
Cardiovascular Research, ES

Karine Saline
LEMAR Laboratory, FR

Leif Ludwig
Max-Delbrück-Centrum für Molekulare
Medizin, DE

Lena Pernas
UCLA, US

Luca Scorrano
University of Padova, IT

Maria Eugenia Sorriano
University of Padova, IT

Maria Falkenberg
University of Gothenburg, SE

Nika Danial
Dana-Farber Cancer Institute, US

Nils-Göran Larsson
Karolinska Institute, SE

Oliver Rackham
University of Western Australia, AU

Pierre Blier
University of Quebec, CA

Thomas Langer
Max Planck Institute for Biology of
Ageing Cologne, DE

Vladimir Hampl
Charles University, CZ
