

Targeted proteomics: Advanced tools for biomedical research

5 – 10 October 2025 | Barcelona, Spain

ORGANIZER AND CO-ORGANIZER

Eduard Sabidó
Center for Genomic Regulation/UPF
Proteomics Unit, ES

Michael MacCoss
University of Washington, US

Abstract submission
& registration

15 May 2025

SPEAKERS

Alexey Nesvizhskii
University of Michigan, US

Guadalupe Espadas
Center for Genomic Regulation/UPF
Proteomics Unit, ES

Anthony Wu
Khoury College of Computer Sciences, US

Juan Antonio Vizcaíno
EMBL-EBI, UK

Brendan MacLean
University of Washington, US

Julia Bubis
Research Institute of Molecular Pathology,
AT

Cristina Chiva
Center for Genomic Regulation/UPF
Proteomics Unit, ES

Michael MacCoss
University of Washington, US

Eduard Sabidó
Center for Genomic Regulation/UPF
Proteomics Unit, ES

Ralf Gabriels
VIB-UGent Center for Medical
Biotechnology, BE

Eva Borràs
Center for Genomic Regulation/UPF
Proteomics Unit, ES

Vadim Demichev
Charité Universität Medizin Berlin, DE
