

Cellular and systems mechanisms of memory in health and disease

27 – 30 April 2027 | Singapore

ORGANIZERS AND CO-ORGANIZERS

Sajikumar Sreedharan
National University of Singapore, SG

James Chelliah
University of Exeter, UK

Martin Korte
Technical Unievrstiy
Braunschweig, DE

Ted Abel
University of Iowa, US

Sue Jones
University of Cambridge, GB

Registration

15 November 2026

SPEAKERS

Amrutha Swaminathan
IISER Thiruvananthapuram, IN

Brianna Vandrey
University of Glasgow, GB

Dan Ohtan Wang
NYU Abu Dhabi, AE

Denise Manahan-Vaughanm
Ruhr University Bochum, DE

Eric Klaan
New York University, US

Graham Collingridge
University of Toronto, CA

Hailan Hu
Zhejiang University School of Medicine, CN

Kium-Bong Kaang
Center for Cognition and Sociality, KR

Lim Kah-Leong
Nanyang Technological University, SG

Sarah Luo
Institute of Molecular and Cellular Biology, SG

Magdalena Koziol
Chinese Institute for Brain Research, CN

Martin Korte
Technische Universität Braunschweig, DE

Nils Brose
Max Planck Institute for Multidisciplinary Sciences, DE

Paul Frankland
University of Toronto, CA

Phua, Siew Cheng
National University of Singapore, SG

Qin Li
South-Central Minzu University, CN

Rickie Patani
National University of Singapore, SG

Rosalina Fonseca
i3S - Instituto Investigação e Inovação em Saúde, PT

Sajikumar Sreedharan
National University of Singapore, SG

Sourav Banarjee
National Brain Research Centre, IN

Sue Jones
University of Cambridge, UK

Ted Abel
University of Iowa, US

Thomas McHugh
Riken Center for Brain Science, JP

Todd Sacktor
Downstate Health Sciences University, US

Veronica Brito
University of Barcelona, ES

Yasunori Hayashi
Kyoto University, JP

Yong-Seok Lee
Seoul National University College of Medicine, KR

Zeng Li
National Neuroscience Institute, SG

Zoltán Molnár
University of Oxford, GB

Cliff Abraham
University of Otago, NZ

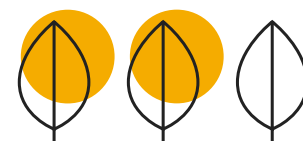

Barry Halliwell
National University of Singapore, SG

Serena M. Dudek
National Institute of Health, US

Wang Hongyan
DUKE-NUS, SG

Anna Barron
Nanyang Technological University, SG
