

RNA virus infection and host immune responses

11 – 14 February 2026 | Haryana, India

ORGANIZER AND CO-ORGANIZERS

Prasenjit Guchhait
Regional Centre for
Biotechnology, IN

Manjula Kalia
Regional Centre for
Biotechnology, IN

Sumana Sanyal
Sir William Dunn School of
Pathology, University of Oxford,
UK

Abstract submission
1 October 2025

SPEAKERS

Adithya Sridhar
Amsterdam University Medical
Center, NL

Adolfo Gracia Sastre
Icahn School of Medicine, US

Antoni Wrobel
University of Oxford Oxford, UK

Arvind Sahu
Executive Director for
the Regional Centre for
Biotechnology, IN

Ashley St John
National University of Singapore.
Duke-NUS Medical School, SG

Clive M Gray
Stellenbosch university, ZA

**Giovanna Barba-
Spaeth**
Institut Pasteur, FR

Jason Mackenzie
University of Melbourne, AU

Kesavardana Sannula
Indian Institute of Science, IN

Laurent Chatel-Chaix
Institut national de la recherche
scientifique, CA

Manidipa Banerjee
IIT-Delhi, IN

Marco Vignuzzi
A-STAR ID labs SG

Nerea Irigoyen
University of Cambridge, UK

Niluka Goonawardane
University of Leeds, UK

Rajesh S Gokhale
Secretary for the Department of
Biotechnology, Govt. of India, IN

Rama Rao Amara
Emory University, US

Raphael Gaudin
Institut de recherche en
Infectiologie de Montpellier,
CNRS, FR

Santosh Chauhan
CSIR - Centre for Cellular &
Molecular Biology (CCMB), IN

Sarah Jane Butcher
University of Helsinki, FI

Shailly Tomar
IIT Roorkee, IN

Shiv Pillai
Ragon Institute, Harvard
University, US

Sumana Sanyal
Sir William Dunn School of
Pathology, University of Oxford,
UK

Takeuchi Osamu
Kyoto University, JP

Thomas Baumert
University of Strasbourg,
Institute for Translational
Medicine and Liver Disease,
Institute of Viral and Liver
Disease, FR

Tineke Cantaert
Institut Pasteur, KH
