

Small angle neutron and X-ray scattering from biomacromolecules in solution

16 – 20 September 2024 | Grenoble, France

ORGANIZERS AND CO-ORGANIZERS

Frank Gabel

Institut de Biologie
Structurale & Institut Laue-
Langevin, FR

Anne Martel

Institut Laue-Langevin, FR

Mark Tully

European Synchrotron
Radiation Facility, FR

Registration

24 May 2024

SPEAKERS

Pau Bernadó

Centre de Biochimie
Structurale Montpellier, FR

Jochen Hub

Saarland University, DE

Martine Moulin

Institut Laue-Langevin, FR

John Tainer

Anderson Cancer Center &
Lawrence Berkeley Lab, US

Clément Blanchet

European Molecular Biology
Laboratory Hamburg, DE

Cy Jeffries

European Molecular Biology
Laboratory Hamburg, DE

Javier Pérez

Synchrotron SOLEIL, FR

Mark Tully

European Synchrotron
Radiation Facility, FR

Emre Brookes

University of Montana, US

Marie Lycksell

Institut Laue-Langevin, FR &
Umea University, SE

Robert Rambo

Diamond Synchrotron, UK

Petra Pernot

European Synchrotron
Radiation Facility, FR

Frank Gabel

Institut de Biologie
Structurale & Institut Laue-
Langevin, FR

Maria Marcaida Lopez

École polytechnique fédérale
de Lausanne, CH

Dina Schneidman-Duhovny

The Hebrew University of
Jerusalem, IL

Melissa Graewert
European Molecular Biology
Laboratory Hamburg, DE

Anne Martel
Institut Laue-Langevin, FR

Marie Skepö

Lund University, SE

Sergei Grudinin
INRIA, FR

Caroline Mas
Institut de Biologie
Structurale, FR
