

In situ structural biology by Cryo-FIB and Cryo-ET

12 – 20 April 2026 | Frankfurt am Main, Germany

ORGANIZERS AND CO-ORGANIZERS

Martin Beck
Max Planck Institute of
Biophysics, DE

Sven Klumpe
IMP/IMBA, Vienna BioCenter, AT

Pamela Ornelas
Max Planck Institute of
Biophysics, DE

Sonja Welsch
Max Planck Institute of
Biophysics, DE

Abstract submission

8 December 2025

SPEAKERS

Lea Dietrich
Max Planck Institute for Brain Research,
DE

Alex de Marco
New York Structural Biology Center, US

Maud Dumoux
Rosalind Franklin Institute, UK

Herman Fung
University of Michigan, US

Michael Grange
Rosalind Franklin Institute, UK

Patrick Hoffmann
Max Planck Institute of Biophysics, DE

Arjen Jakobi
TU Delft, NL

Wanda Kukulski
IBMM University of Bern, CH

Mart Last
MRC-LMB, UK

Bronwyn Lucas
University of California, US

Bonnie Murphy
Max Planck Institute of Biophysics, DE

Linhua Tai
EMBL Heidelberg, DE

Beata Turonova
Max Planck Institute of Biophysics, DE

Daniel Mann
Forschungszentrum Juelich ER-C, DE

Jürgen M. Plitzko
Max Planck Institute of Biochemistry, DE

Thom Sharp
University of Bristol, UK

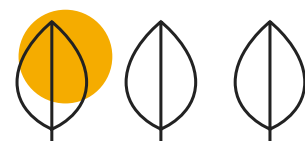

William Wan
Vanderbilt School of Medicine, US

Florian Wilfling
Max Planck Institute of Biophysics, DE

Yue Yu
Chan Zuckerberg Imaging Institute, US

Giulia Zanetti
Birkbeck College/ Francis Crick Institute,
UK
