

Molecular and Developmental Biology of Drosophila

21 – 27 June 2026 | Kolymbari, Greece

ORGANIZING COMMITTEE CO-CHAIRS

Deborah Andrew

The Johns Hopkins University School of
Medicine, US

Eileen Furlong

EMBL Heidelberg, DE

Irene Miguel-Aliaga

The Francis Crick Institute, UK

Christos Delidakis

University of Crete, GR

Marco Milan

IRB Barcelona, E

Abstract submission

3 November 2025

ORGANIZING COMMITTEE MEMBERS

Michelle Arbeitman

Florida State University, US

Erika Bach

New York University School of Medicine,
US

Melissa Harrison

University of Wisconsin, US

François Leulier

Ecole Normale Supérieure, FR

Prashanth Rangan

Icahn School of Medicine at Mount Sinai,
US

Katja Röper

MRC-LMB, UK

Daria Siekhaus

University of California, Los Angeles, US

Frank Schnorrer

IBDM – Institut de Biologie du
Développement de Marseille, FR

François Schweisguth

Pasteur Institute, FR

Yan Song

Peking University, CN

Guy Tanentzapf

University of British Columbia, CA

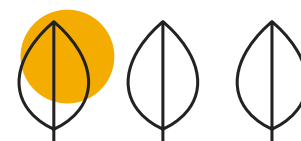

Nic Tapon

Francis Crick Institute, UK

Pavel Tomancak

MPI for Molecular Cell Biology and
Genetics, DE
