
EMBO
Workshop

Proteostasis shaping health span:
from protein folding to failure

9 – 13 November 2026 | Ericeira, Portugal

ORGANIZERS AND CO-ORGANIZERS

Sandra Tenreiro
Nova Medical School, UNL, PT

Sivan Henis-Korenblit
Bar-Ilan University, IL

Paula Ludovico
ICVS, University of Minho, PT

Deepika Vasudevan
University of Pittsburgh, US

SPEAKERS

Nahum Sonenberg
McGill University, CA

Anne Bertolotti
MRC-LMB, UK

Adam Antebi
Max Planck Institute for Biology of Ageing, DE

Clare Futter
University College London, UK

Mireya Plass
Institut d'Investigació Biomèdica de Bellvitge, ES

Cláudia Almeida
NOVA Medical School, UNL, PT

Juha Saarikangas
University of Helsinki, FI

Eugenia Piddini
University of Bristol, UK

Pedro Domingos
ITQB, PT

David Vilchez
CECAD, DE

Vojo Deretic
University of New Mexico, US

Ana Maria Cuervo
Albert Einstein College of Medicine, US

Christian Münch
Goethe University Frankfurt, DE

Guillaume Thibault
Nanyang Technological University, SG

Itay Koren
Bar Ilan University, IL

Helen Walden
University of Glasgow, GB

Brenda Schulman
Max Planck Institute of Biochemistry, DE

Radoslav Enchev
The Francis Crick Institute, UK

Anne Willis
Cambridge University, UK

Claudio Joazeiro
University of Heidelberg, DE

David Balchin
The Francis Crick Institute, UK

Elif Karagöz
Max Perutz Laboratories, AT

Paulo Gameiro
NOVA Medical School, UNL, PT

Lea Sistonen
Åbo Akademi University, I

Reut Shalgi
Technion, IL

Agnieszka Kłosowska
University of Gdansk, PL

Verena Kohler
Umeå University, SE

Xavier Salvatella
IRB Barcelona, ES

Ville Paavilainen
University of Helsinki, FI

António Cuadrado
UAM Madrid, ES

Colin Adrain
Queen's University Belfast, UK

Débora Schmidt
University of Cologne, DE

Tim Clausen
IMP Vienna, AT

David Gems
University College London, UK

Simon Holst Bekker-Jensen
University of Copenhagen, DK

Thomas Nyström
University of Gothenberg, DE

Otilia Vieira
NOVA Medical School, UNL, PT

Fulvio Mario Reggiori
Aarhus University, DK

Guillaume Van Niel
Institute of Psychiatry and Neuroscience of Paris, FR

Registration deadline
1 September 2026
