EMBO
Workshop

Muscle development, maintenance & pathology:

in vitro models to physiology

11 – 15 October 2026 | Aghia Pelaghia, Greece

ORGANIZERS AND CO-ORGANIZERS

Brendan Evano
Institut Pasteur, FR

Olivier Pourquie
Harvard Medical School, US

Isabella Scionti
Institut NeuroMyoGène, FR

Gabrielle Kardon
University of Utah, US

SPEAKERS

Helen Blau
Stanford University, US

Yan Burelle
University of Ottawa, CA

Elizabeth Chen
UT Southwestern Medical Center, US

Benjamin Cosgrove
Cornell University, US

Katrien De Bock
ETH Zürich, CH

Jim Dowling
University of Pennsylvania, US

Delphine Duprez
Institut Biologie Paris Seine, FR

Jonathan Enriquez
Institut de Génomique Fonctionnelle de Lyon, FR

Brian Glancy
National Institutes of Health, US

Mina Gouti
Max-Delbrück Center for Molecular Medicine, DE

Simon Hughes
King's College, UK

Minchul Kim
IGBMC, FR

Chiara Lanzuolo
National Institute of Molecular Genetics, IT

Abigail Mackey
University of Copenhagen, DK

Christophe Marcelle
Mechanisms in Integrated Life Sciences, FR

Alicia Mayeuf-Louchart
Institut Pasteur de Lille, FR

Bente Pedersen
University of Copenhagen, DK

Clara Peek
Northwestern University, US

Lorenzo Puri
Sanford Burnham Prebys, US

April Pyle
University of California, US

Frederic Relaix
Université Paris-Est Créteil, FR

William Roman
Monash University, AU

Peter Zammit
King's College, UK

Registration
15 June 2026
