EMBO
Workshop

Cell polarity and membrane dynamics

16 – 21 May 2027 | Sant Feliu de Guíxols (Girona), Spain

ORGANIZERS AND CO-ORGANIZERS

Alexander Ludwig
Nanyang Technological University, SG

Diana Pinheiro
Research Institute of Molecular Pathology, AT

Felix Campelo
Universitat Pompeu Fabra, ES

SPEAKERS

Elias Barriga
Dresden University of Technology, DE

Emmanuelle Bayer
University of Bordeaux, FR

David Bilder
University of Caliornia Berkeley, US

Francesca Bottanelli
Freie Universität Berlin, DE

Kate Cavanaugh
University of California San Francisco, US

Joan Chang
University of Manchester, GB

Debasis Das
Tata Institute of Fundamental Research, IN

Emmanuel Derivery
MRC Laboratory of Molecular Biology, GB

Gautam Dey
EMBL, DE

Anna Erzberger
EMBL, DE

Maria Garcia-Parajo
ICFO-Institute of Photonic Sciences, ES

Volker Haucke
Leibniz Institute for Molecular Pharmacology, DE

Johanna Ivaska
University of Turku, FI

Christophe Leterrier
CNRS-Aix Marseille University, FR

Prisca Liberali
Friedrich Miescher Institute for Biomedical Research, CH

Lu Lei
Nanyang Technological University, SG

Ian Macara
Vanderbilt University, US

Ann Miller
University of Michigan, US

Stéphanie Miserey
Institut Curie, FR

Eurico Morais de Sá
i3S, Universidade do Porto, PT

Ed Munro
University of Chicago, US

Mathieu Piel
Institut Curie, FR

Ishier Raote
Institut Jacques Monod, FR

Katja Röper
University of Cambridge, GB

Sandra Scharaw
MPI of Molecular Cell Biology and Genetics, DE

Xavier Trepat
Institute for Bioengineering of Catalonia, ES

Alpha Yap
University of Queensland, AU

Abstract submission
28 February 2027

Registration
21 March 2027

Sustainable event
