

Cell biology of the nervous system: development, degeneration, and repair

3 – 6 May 2027 | Heraklion, Greece

ORGANIZERS AND CO-ORGANIZERS

Massimo Hilliard
The University of Queensland, AU

Nektarios Tavernarakis
University of Crete, GR

Gaia Tavosanis
RWTH Aachen University, DE

Gaia Novarino
Institute of Science and Technology
Austria, AT

Registration
12 February 2027

SPEAKERS

Igor Adameyko
Medical University of Vienna, AT

Zhigang He
Harvard University, US

Vassiliki Nikolettou
University of Lausanne, CH

Claudia Bagni
University of Lausanne, CH

Maria Ioannou
University of Alberta, CA

Hannah Scheiblich
Max Planck Institute for Biology of Aging,
DE

Frank Bradke
German Center for Neurodegenerative
Diseases, DE

Marlen Knobloch
University of Lausanne, CH

Kang Shen
Stanford University, US

Johann Danzl
Institute of Science and Technology
Austria, AT

Hyung-Bae Kwon
Johns Hopkins University, US

Stephan Sigrist
Freie University Berlin, DE

Joris de Wit
VIB-KU Leuven Center for Brain & Disease
Research, BE

Gioele La Manno
EPFL - Swiss Federal Technology Institute,
CH

Mikael Simons
Technical University of Munich, DE

Marc Freeman
Vollum Institute, US

Simona Lodato
Humanitas University, IT

Jana Vukovic
The University of Queensland, AU

Guillermina Lopez-Bendito
Instituto de Neurociencias, ES

Chiara Zurzolo
Pasteur Institute, FR
